## **Section 7 - Choosing Providers**

### **Can I choose my provider?**

Yes, you can talk to us at any time about the SBHC provider you would like to see. Call us at **435-634-5606** or at **1-800-574-6763** and ask for the Managed care coordinator.

### **Does Southwest Behavioral Health Center have a provider directory?**

SBHC has a directory of all our mental health and SUD providers. You can see our directory on our website at [sbhc.us](http://sbhc.us)

The directory is organized by clinic location and lists the providers in that clinic. Our directory also includes other community providers that we have a written agreement with to provide services. If you have any questions about our provider directory or would like a copy, call us at **435-634-5600** or at **1-800-574-6763**.

### **Can I get mental health or SUD services from a provider outside Southwest Behavioral Health Center?**

In some situations, you can go to a provider outside SBHC. If you want services from a community provider in our directory or a community provider that is not in our directory, you and the provider must get approval before you get services. For more information, call us at **435-634-5606**, or at **1-800-574-6763** and ask for the managed care coordinator.

You do not need approval before you get emergency services. (See Emergency Services, page 10).

### **When will Southwest Behavioral Health Center let me or my provider know if the services I want to get are approved?**

We can usually decide within 7 calendar days after we get the request. If you or your

provider wants us to take more time to make a decision, let us know. Sometimes we might need more time to make a decision. If we need more time, we will let you know in writing. If you are unhappy that we need more time, you can file a grievance. If you or your provider wants us to take more time making a decision, let us know.

If you or your provider thinks it is important to make a decision quickly and we agree, we will try to make a decision in 72 hours. If you want us to take more time, or if we need more time to make a decision, Medicaid lets us take up to 14 more calendar days.

We will give you our decision in writing and let the provider know what our decision is. If we do not make a decision as soon as Medicaid wants us to, or we do not approve the service or approve less than you or the provider asked for, this is an adverse benefit determination. We will also send you a Notice of Adverse Benefit Determination letter explaining that you can ask for an appeal of this decision. (See *Adverse Benefit Determinations*, page 15 and *Appeals* page 16).

**Are there any outpatient mental health and SUD services that do not need approval from Southwest Behavioral Health?**

You do not need approval from SBHC to get emergency services. (See *Emergency Services* page 11)

You do not need approval from SBHC to get mental health and SUD services from a federally qualified health center (FQHC).

If you are an American Indian or Alaska Native, you do not need approval from SBHC to get mental health services from an Indian health provider. An Indian health provider is Indian Health Services, an Indian Tribe, Tribal Organization, or an Urban Indian Organization.

### **Can I get a second opinion?**

Yes. You can get a second opinion about your mental health or SUD problem or services. There is no cost to you for a second opinion. If you would like a second opinion, call us at **435-634-5606** or at **1-800-574-6763** and ask for the Managed care coordinator.

## **Section 8 - Emergency Services**

### **What is an emergency?**

- When you think your life is in danger
- When you believe you might harm yourself or others
- When your safety or others' safety is at risk

### **What are emergency services?**

These are mental health or SUD services given to treat your emergency.

### **How do I get emergency services?**

- Call SBHC 24 hours a day 7 days a week at **431-414-4362** or at **1-800-574-6763**.

- Monday-Friday, you can come right away to any of our outpatient clinics between 8 a.m. and 5 p.m. and talk to a crisis worker.
- Day or night, you can go to any hospital emergency room (ER) for emergency services. Even if you are out of town, go to the nearest hospital ER.
- You can get emergency service from any mental health or SUD provider, even if they are not one of our providers.

You do not need approval from SBHC before you get emergency services from an ER or a provider that is not one of our providers.

## **Section 9 - Mental Health Care in a Hospital**

### **How do I get mental health care in a hospital?**

Mental health care in a hospital **after an emergency** is usually called post-stabilization care services. SBHC uses Dixie Regional Medical Center at 1380 E. Medical Center Dr., St. George, Utah for mental health care in a hospital.

If St. George Regional Medical Center or another hospital treats your emergency and wants to admit you, the hospital must call us at **435-634-5600** or at **1-800-574-6763** to ask for approval. Let the hospital know SBHC is your Medicaid mental health provider so they can call us if they want to admit you. We might have you stay at that hospital or send you to another hospital.

## **Section 10 - Payment for Services**

### **Will I have a co-payment (co-pay) for outpatient services?**

There are no co-pays for outpatient mental health or outpatient SUD services for any Medicaid members. The *Utah Medicaid Member Guide* has information on co-pays, including information on groups of Medicaid members that do not have co-pays on any Medicaid services.

The *Utah Medicaid Member Guide*. The guide is online or ask for a paper copy.

- Call Medicaid at 866-608-9422

## **Hospital Emergency Room (ER) Services**

### **Will I have to pay for services in a hospital emergency room?**

You will not have to pay for emergency services in a hospital ER. If you have co-pays, there is a co-pay if you use the ER when it is not an emergency.

## **Mental Health Care in a Hospital**

### **Will I have to pay for mental health care in a hospital?**

If you have co-pays, the hospital can charge you a \$75 co-pay for each hospital stay, but you will not have to pay more than the co-pay.

## **Outpatient Mental Health and SUD Services**

### **Will I have to pay for outpatient mental health or SUD services?**

#### **Non-Emergency Outpatient Services**

You might have to pay your provider for a **non-emergency** outpatient service if:

- You get a service that is not covered by SBHC or Medicaid; or
- You get a service that is not pre-approved by SBHC; or
- You do not go to an SBHC provider.

If any of the above happens, your provider might ask you to pay for the service.

You should only be billed for the service if all four things below are met:

- The provider has a written policy for billing all patients for services that are not covered, not just Medicaid patients;
- The provider tells you before you get the service that you will have to pay for the service;
- You agree to pay for the service; and
- There is a written agreement signed by you and the provider that says what the service is and how much you will have to pay.

**NOTE:** If SBHC did not approve a service you or your provider asked for, you can ask for an appeal of this decision with SBHC before you agree to pay the provider for the service.

(See *Appeals*, page 14) explains how to ask for an appeal.

You might also have to pay for a non-emergency outpatient service if:

- You ask for and get services during an appeal with SBHC or during a Medicaid fair hearing. You would only have to pay for the services if the appeal or fair hearing decision is not in your favor.
- You are not on Medicaid when you get the service.

### **Emergency Outpatient Services**

You will not have to pay for emergency outpatient services.

### **Ambulance Services for Emergency Care**

You will not have to pay for ambulance services for emergency care.

- Respect the property, comfort, and confidentiality of clients and staff; and
- Notify your treatment provider when you want to stop getting services.

## **Section 12 – Adverse Benefit Determinations**

### **What are adverse benefit determinations?**

Adverse benefit determinations are when SBHC:

Denies (turns down) or approves fewer services than you wanted;

- Denies all or part of a payment for a service that you might have to pay for.
- Or your provider does not offer your first appointment within the required amount of time for emergency, urgent, or non-urgent care and you are not happy with this. (See *Getting Mental Health and Substance Use Disorder Services*, page 6);
- Does not make a decision on an appeal or grievance you have with us as soon as

Medicaid wants us to; or

- Or your provider reduces, suspends, or stops a service previously approved. If you agree with the change, it is not an adverse benefit determination. It is only an adverse benefit determination if you tell us you don't want the change;
- Does not make a decision about approving services you have asked for as soon as Medicaid wants us to; or
- Denies your request to dispute a financial liability.

### **How will I know if the Southwest Behavioral Health Center is making an adverse benefit determination?**

SBHC will send you a letter called a Notice of Adverse Benefit Determination. If you disagree with our adverse benefit determination, you can ask for an appeal.

## **Section 13 - Appeals**

### **What is an appeal?**

An appeal is a review of an adverse benefit determination SBHC has made to see if we made the best decision. If the adverse benefit determination is because we did not settle your appeal as soon as Medicaid wants us to, we will send you a Notice of Adverse Benefit Determination letter. In the letter, we will explain that you can now ask for a Medicaid fair hearing and how and when to ask for one. (See *Medicaid Fair Hearings*, page 18)

### **Who can ask for an appeal?**

You, your legally authorized representative, or your provider, can ask for an appeal.

### **When do I have to ask for an appeal?**

Your Notice of Adverse Benefit Determination letter will give information on the appeal process, including how soon you must tell us you want an appeal of the adverse benefit determination. You must ask for an appeal within 60 calendar days from the date on the

Notice of Adverse Benefit Determination letter.

### **How do I ask for an appeal?**

The Notice of Adverse Benefit Determination letter will tell you how to ask for an appeal.

You can ask for an appeal:

- in writing using the appeal request form we gave you with your Notice of Adverse Benefit Determination letter. Send your written appeal request to:

Attn: Managed Care Coordinator, 474 W 200 N, St. George, UT 84770

- Or email [acsawyer@sbhcutah.org](mailto:acsawyer@sbhcutah.org)
- by calling us. Call us at **435-634-5600** or at **1-800-574-6763** and ask for the managed care coordinator.

### **What if I need help asking for an appeal?**

If you need help asking for an appeal, call us at **435-634-5606** or at **1-800-574-6763** and ask for the managed care coordinator.

### **Can I keep getting services if I ask for an appeal?**

If our adverse benefit determination is to reduce, suspend, or stop services we had previously approved, you must tell us if you want to keep getting the services. You must ask us to keep giving you the services on or before the later of the following:

- within 10 days of SBHC sending the Notice of Adverse Benefit Determination letter to you; or
- the effective date of our proposed decision to reduce, suspend, or stop services.

If you ask for an appeal on time, and you let us know on time that you want to keep getting the services while we make a decision, you can keep getting the services. You

might have to pay for the services if our appeal decision is not in your favor.

If you are asking for an appeal of any other kind of adverse benefit determination and have questions about getting services during the appeal, call us at **435-634-5606** or at **1-800-574-6763** and ask for the managed care coordinator.

### **When will Southwest Behavioral Health Center tell me the decision on the appeal?**

Usually, we will give you a written decision no later than 30 calendar days from the day we get the request for an appeal. Sometimes we might need more time to make a decision. Medicaid lets us take up to another 14 calendar days to make a decision. If we need more time, we will let you know in writing. Also, you or your provider might want us to take more time for some reason. If so, let us know.

### **Can I get a decision more quickly on my appeal?**

If you or your provider thinks waiting 30 calendar days for their decision could harm your health, life, or ability to maintain or regain maximum function, you or your provider can ask for a quick appeal. This means we will usually make a decision within 72 hours. Sometimes we might need more time to make a decision. Medicaid lets us take up to 14 more calendar days to make a decision. If we need more time, we will let you know by phone as quickly as possible and in writing within two calendar days. Also, you or your provider might want us to take more time for some reason. If so, let us know.

If we deny your request for a quick appeal, we will let you know by phone as quickly as possible and in writing within two calendar days.

### **How do I ask for a quick appeal?**

You can ask for a quick appeal:

- in writing using the appeal request form we gave you with your

Notice of Adverse Benefit Determination letter. Just check the "Expedited Appeal" box. Send your written appeal request to:

Attn: Managed Care Coordinator, 474 W 200 N, St. George, UT 84770

## **Section 14 - Medicaid Fair Hearings**

### **What can I do if I am unhappy with the appeal decision?**

If you are unhappy with our appeal decision, or we cannot make an appeal decision as soon as Medicaid wants us to, this is what you can do:

You, your legally authorized representative, or your provider can ask for a fair hearing with Medicaid. Our appeal decision letter will tell you how and when to ask for the fair hearing. We will also give you the fair hearing request form to send to Medicaid. You must ask for a fair hearing in writing using the form we give you. You can also get a hearing request form from Medicaid by calling Medicaid at **801-538-6576** or at **1-800-662-9651**.

At a fair hearing, you can speak for yourself, or you can have a relative, friend, lawyer or anyone else speak for you. Before and during the fair hearing, you, and any person helping you, can present documents. Also, you, and any person helping you, can look at all of the documents that will be used at the fair hearing.

### **How do I ask for a fair hearing with Medicaid?**

You must ask for a fair hearing in writing. Fill out the fair hearing request form included with your appeal decision letter. You can also get a hearing request form from Medicaid by calling Medicaid at **801-538-6576** or at **1-800-662-9651**.

### **When do I have to ask for a fair hearing with Medicaid?**

In most situations, you must ask for a fair hearing within 120 days from the date of our appeal decision letter.

If the fair hearing is about our decision to reduce, suspend, or stop services we had already approved, and you want to keep getting the services during the fair hearing, you must:

- Ask for a fair hearing within 10 calendar days after we send you the appeal decision letter; and
- On the hearing request form, ask that the services be continued.

If you file your fair hearing request in time, and you ask to keep getting the services during the fair hearing, you can keep getting the services. You might have to pay for the services if the fair hearing decision is not in your favor.

### **What if I have questions or need help asking for a fair hearing with Medicaid?**

If you have questions or need helping filling out the hearing request form, call us at **435-634-5606** or at **1-800-574-6763** and ask for the managed care coordinator.

## **Section 19 – Reporting Fraud, Waste or Abuse**

### **What is health care fraud, waste and abuse?**

Doing something wrong related to Medicaid could be fraud, waste, or abuse. We want to make sure that health care dollars are used the right way. Fraud, waste, and abuse can make health care cost more for everyone.

Some examples of fraud, waste, and abuse are:

#### **By a Provider**

- Billing for services that have not been provided.
- Not reporting a patient's misuse of a Medicaid card.

#### **By a Medicaid Member**

- Changing the amount or number of refills on a prescription.
- Giving their Medicaid card to someone else to use.
- Being untruthful to get on Medicaid.

If you think there might be fraud, waste, or abuse, call us at **435-634-5606** or at **1-800-574-6763** and ask for the managed care coordinator.
